Comments

This 2021 Toyota Tacoma TRD Off-Road V6 in white combines rugged capability with practical daily utility, delivering a truck that handles work and adventure with equal confidence.- All-weather floor liner and door sill protector- Blackout emblem overlays- Door edge guards- Exhaust tip- Mudguards- Mini tie downs with hooks- Truck bed D-rings- Mesh front grille- Blind spot monitor with rear cross traffic alert- Rear parking assist sonar- Navigation system- Color-keyed rear bumper- Premium JBL AM/FM with navigation and app radio- Apple CarPlay and Android Auto- Front fog lightsThe vehicle has been detailed and passed dealer inspection with a recent oil change, ensuring it arrives ready for immediate use.This Tacoma is Toyota Silver Certified, which means it qualifies for a limited powertrain warranty covering 12 months and 12,000 miles, 24-hour roadside assistance for the same period, and extended warranty coverage that transfers at no cost for added resale value. You'll also receive a free CARFAX vehicle history report, multi-point inspection documentation, and the confidence that your warranty is honored at over 1,400 Toyota dealers throughout the continental U.S. and Canada. We handle all DMV paperwork and accept trade-ins to simplify your transaction.The 3.5L V6 engine produces 278 horsepower and pairs with a 6-speed automatic transmission, achieving 19 city and 24 highway MPG. The TRD Off-Road package provides genuine off-road capability while maintaining comfort for daily driving. Inside, you'll find front bucket seats with power adjustments, automatic temperature control with dual-zone capability, and a leather shift knob. Practical features include 120V/400W deck-mounted AC power for job site equipment, a rear step bumper, and black overfenders that complement the truck's rugged appearance.Technology features make ownership more convenient. The navigation system integrates with the premium audio setup, while Apple CarPlay and Android Auto keep your smartphone accessible. Safety technology includes electronic stability control, traction control, smart key with push button start, and an emergency communication system with a one-year Safety Connect trial. The rear parking assist sonar and exterior parking camera simplify maneuvering in tight spaces.The truck bed is equipped with D-rings and mini tie downs with hooks for secure cargo management, while the 16-inch machined contrast alloy wheels add visual appeal. With automatic high-beam headlights and variably intermittent wipers, this Tacoma adapts to changing conditions throughout your day.This is a truck built to perform. We invite you to come see it and experience what makes this Tacoma a dependable choice for work and recreation alike.
