Comments

This 2022 Toyota Tundra SR5 represents a capable pickup truck designed for both work and everyday driving, offering the reliability and performance Toyota owners have come to expect.- 3.4L V6 engine with 10-speed automatic transmission- Toyota TSS offroad package- Apple CarPlay/Android Auto integration- SiriusXM satellite radio- Rear parking camera- Automatic temperature control- Heated power door mirrors- Fully automatic headlights with delay-off function- Front fog lights- Remote keyless entry- Steering wheel mounted audio controls- Electronic Stability Control and traction control- Dual front impact airbags and side airbags with knee and overhead airbags- 18-inch alloy wheelsThe Tundra delivers solid fuel economy with an EPA-estimated 18 mpg city and 23 mpg highway, helping you manage fuel costs without sacrificing capability. The rear-wheel drive configuration paired with the 3.4L V6 provides straightforward handling and adequate power for hauling and towing tasks typical of truck ownership.Safety features are comprehensive and practical. This truck includes Toyota Safety Connect with a one-year trial for emergency communication, electronic stability control, traction control, and a full complement of airbags positioned to protect occupants in various collision scenarios. The rear parking camera gives you added visibility when backing up, and auto high-beam headlights reduce the need for manual adjustment during night driving.The interior balances comfort and functionality. Front bucket seats with a center armrest create a welcoming cabin environment, while the split folding rear seat offers flexible storage and seating arrangements. Climate control maintains your preferred temperature automatically, and heated door mirrors support visibility in cold weather. Standard amenities like a trip computer, outside temperature display, and tachometer keep you informed during operation.The TSS offroad package enhances this truck's capability for light trail work and rough terrain, complementing the Tundra's reputation as a dependable platform for outdoor enthusiasts and job sites alike. The 3.31 axle ratio supports practical pulling performance.With approximately 49,000 miles on the odometer, this 2022 Tundra SR5 remains well within its early service life, offering significant runway before major maintenance milestones. The black exterior finish presents a classic truck appearance that suits both professional and personal settings. We invite you to schedule a test drive and confirm that this Tundra meets your transportation needs.
