Comments

This 2024 Toyota Tundra SR5 combines capability and refinement, delivering the dependable performance you need with the comfort features you'll appreciate on every drive.- Android Auto and Apple CarPlay connectivity- 3.4L V6 engine with 10-speed automatic transmission- 4-wheel drive with 3.31 axle ratio- 4-wheel disc ABS brakes with brake assist- Electronic Stability Control and traction control- Automatic temperature control with rear window defroster- Power windows, steering, and door mirrors- Remote keyless entry with security system- Rear backup camera for enhanced visibility- Auto high-beam headlights with front fog lights- Steering wheel mounted audio controls- SiriusXM radio with AM/FM capability- Dual front impact and side impact airbags with knee airbagThis white Tundra SR5 arrives well-maintained and ready for work or weekend adventures. The truck has passed our dealer inspection and recently received a professional oil change and full detailing, reflecting its careful maintenance. Under the hood, the 3.4L V6 engine pairs with a 10-speed automatic transmission, generating responsive power while delivering reasonable fuel efficiency—17 city and 23 highway MPG. The 4-wheel drive system ensures confident traction in varied driving conditions.Inside, you'll find thoughtfully designed features that make daily driving more convenient. The multimedia system supports both Apple CarPlay and Android Auto, keeping you connected to your smartphone's apps and navigation. Automatic temperature control maintains your preferred cabin climate, while steering wheel mounted audio controls keep your focus on the road. The split folding rear seat adapts to your cargo needs, and the rear reading lights illuminate the cabin for practical utility.Safety is integrated throughout this Tundra. Dual front impact airbags, dual front side impact airbags, and a knee airbag work together with Electronic Stability Control and traction control to help protect you and your passengers. The rear backup camera provides clear visibility when reversing, and Toyota's Safety Connect emergency communication system (with 10-year trial) offers added peace of mind.The exterior reflects this truck's no-nonsense character. Body-color bumpers, heated power door mirrors, and 18-inch alloy wheels underscore its polished appearance. The auto high-beam headlights and front fog lights enhance visibility in challenging conditions, while variably intermittent wipers adapt to weather demands.This SR5 represents a straightforward value proposition: a full-size truck built on Toyota's reputation for durability, equipped with the modern conveniences today's drivers expect. Visit us to experience the combination of capability and comfort this Tundra offers.
