Comments

This 2022 Toyota Tundra SR5 combines capable truck engineering with practical comfort features, designed for buyers who value both work-ready performance and everyday usability.- 3.4L V6 engine with 10-speed automatic transmission and 4WD- 9-speaker audio system with SiriusXM and Apple CarPlay/Android Auto- Automatic temperature control with rear window defroster- 4-way adjustable front bucket seats with fabric trim- Auto high-beam headlights with front fog lights- Power windows, mirrors, and door locks with remote keyless entry- Electronic Stability Control and Traction Control- Rear-view parking camera for convenient backing- 4-wheel disc brakes with ABS and brake assist- Speed-sensing steering for responsive handling- Dual front airbags and side impact airbags with knee airbag- Safety Connect emergency communication system with 1-year trial- 18-inch alloy wheels- Telescoping and tilt steering wheel- Split folding rear seat for cargo flexibilityThis Tundra delivers solid fuel efficiency with an estimated 17 MPG in the city and 22 MPG on the highway, making it practical for regular driving. The white exterior keeps the truck looking fresh and clean, while the SR5 trim strikes a balance between essential features and value. The cabin is thoughtfully designed with modern conveniences like climate control, steering wheel audio controls, and multiple storage solutions including door bins and an overhead console.The truck bed and payload capacity make this model capable for hauling materials or equipment, while the independent front suspension and electronic stability control ensure composed handling whether you're on the highway or navigating varied terrain. The 4WD system provides traction when conditions demand it, and the power steering responds intuitively to your inputs.Safety is woven throughout this truck with comprehensive airbag coverage, including front and side-impact protection and a knee airbag for the driver. The low tire pressure warning system keeps you informed, and Safety Connect provides peace of mind with emergency communication capabilities included for one year.With just over 20,000 miles, this Tundra has been well-maintained and offers plenty of life ahead. The combination of Toyota reliability, 4WD capability, and modern convenience features makes this truck a solid choice whether you need it for work or weekend adventures. We invite you to see it in person and experience the quality craftsmanship Toyota is known for.
