Comments

This 2024 BMW X5 sDrive40i in Mineral White Metallic represents a sophisticated choice for those seeking a premium midsize luxury SUV with refined performance and advanced comfort features.- Adaptive Full LED Lights with Cornering Lights- Premium Package with Remote Engine Start and Gesture Control- Live Cockpit Pro with Navigation System- Parking Assistance Package including Surround View with 3D View- Climate Comfort Package with 4-Zone Automatic Climate Control- Front and Rear Heated Seats with Front Ventilated Seats- Heated Steering Wheel and Armrests- Multi-Contour Seats with Memory Functions- HUD and Video AR Display- harman/kardon Surround Sound System with 10 Speakers- Apple CarPlay and Android Auto Compatibility- Aluminum Running Boards- 20" V-Spoke Alloy Wheels- Power Moonroof- Wireless Device Charging and Personal eSIM 5GThe X5 sDrive40i combines a 3.0-liter inline-six engine with an 8-speed automatic transmission, delivering a balance of capability and efficiency with EPA ratings of 23 mpg city and 27 mpg highway. The rear-wheel-drive configuration contributes to responsive handling while the sophisticated suspension system provides composed ride quality across varied road conditions.Interior accommodations reflect BMW's commitment to passenger comfort and convenience. The multi-contour seating surfaces adjust to support proper posture during extended drives, while heated front seats and steering wheel add year-round comfort. Four-zone climate control ensures individual temperature preferences for all occupants, and the power moonroof floods the cabin with natural light.Technology integration centers on Live Cockpit Pro, which consolidates navigation, infotainment, and vehicle controls into an intuitive interface. The harman/kardon surround sound system delivers quality audio, while wireless device charging keeps connected devices powered throughout the day. Gesture control and voice command functions reduce driver distraction and enhance operational efficiency.Safety and assistance systems include the Parking Assistance Package with professional parking guidance, active park distance control, and 360-degree surround view capability. Electronic stability control, multiple airbag systems, and low tire pressure monitoring contribute to comprehensive active and passive safety measures. BMW Assist eCall and ConnectedDrive Services provide added reassurance and connectivity features.This X5 sDrive40i offers the practical space and luxury appointments expected from the BMW nameplate, presenting a well-equipped vehicle for discerning buyers who prioritize both performance and premium comfort in their daily driving.
