Discover the perfect balance of reliability, efficiency, and modern convenience with this 2024 Toyota Corolla LE sedan in striking blue.- Android Auto and Apple CarPlay smartphone integration- 8" Toyota Audio Multimedia touchscreen with SiriusXM- Automatic temperature control climate system- Rear parking camera for added confidence in tight spaces- Bluetooth connectivity via steering wheel-mounted audio controls- Fully automatic headlights with delay-off feature- Electronic Stability Control and traction control- Dual front and side-impact airbags with knee airbag protection- Safety Connect emergency communication system- Split-folding rear seat for flexible cargo space- Front bucket seats with center armrest- Remote keyless entry and power windows- Telescoping and tilt steering wheel for personalized comfort- 4-wheel disc brakes with ABSThis Corolla delivers proven Toyota dependability in a fuel-efficient package that won't drain your wallet at the pump. With an impressive 32 MPG city and 41 MPG highway, you'll spend less time at the gas station and more time enjoying the road. The smooth-shifting CVT transmission and 2.0L four-cylinder engine provide responsive performance for daily commuting or weekend drives.Condition and maintenance matter, and this vehicle reflects both. As a one-owner Corolla from the factory, it carries a clean Carfax history and has been regularly serviced to keep everything running smoothly. A third-party inspection confirms what the records show—this car looks and runs great with no surprises.The modern infotainment system keeps you connected and entertained during every journey. Apple CarPlay and Android Auto integration means your phone's apps are right at your fingertips, while the steering wheel controls let you keep your hands where they belong. The SiriusXM satellite radio offers hundreds of channels for music, talk, and sports.Safety features are woven throughout this sedan. Multiple airbags, electronic stability control, and traction control work together to help protect you and your passengers. The rear camera takes the guesswork out of parking, and Toyota's Safety Connect system provides emergency communication support when you need it most.Whether you're a first-time buyer seeking a reliable daily driver or an experienced owner looking for proven performance, this 2024 Corolla LE represents an excellent value. It's a vehicle built to last, equipped with features that matter, and ready to serve your transportation needs for years to come. We invite you to experience it firsthand and see why the Corolla remains one of the most trusted sedans on the road.
