Comments

This 2019 Tesla Model 3 Mid Range delivers exceptional efficiency and cutting-edge technology in a sleek black package. With 64,589 miles, this electric vehicle combines practical daily performance with an impressive driving range. Recently serviced and detailed, it's ready for its next owner.

Key Features:

- Android Auto and Apple CarPlay integration
- Premium 15-speaker audio system with FM radio
- Navigation system with rear parking camera
- Heated front and rear seats with power adjustment
- Automatic climate control with dual front zones
- Premium leather seat trim
- 18-inch Aero alloy wheels
- Passed dealer inspection

This Model 3 achieves an impressive 128 MPGe in city driving and 117 MPGe on the highway, making it an economical choice for commuters and long-distance travelers alike. The electric motor paired with single-speed automatic transmission provides smooth, responsive acceleration without the complexity of traditional drivetrains. You'll appreciate the comprehensive safety suite, including dual front and side impact airbags, four-wheel independent suspension, and electronic stability control. Inside, the cabin combines comfort with convenience. Memory seats, heated front and rear seating, power-adjustable configurations, and steering wheel-mounted controls let you customize your driving experience. The premium audio system, navigation, and smartphone integration ensure you stay connected and entertained on every drive. Come see this well-maintained Model 3 today and experience the future of electric driving firsthand.
