Discover the 2026 Toyota Corolla Cross L, a compact crossover that combines practical design with everyday reliability to support your active lifestyle.- Android Auto and Apple CarPlay connectivity- 8" Toyota Audio Multimedia with 6 speakers and SiriusXM- Rear backup camera for confident parking and reversing- Automatic high-beam headlights with delay-off feature- Electronic Stability Control and traction control- Split-folding rear seat for flexible cargo configurations- Heated power door mirrors with turn signal indicators- Power windows and remote keyless entry- Speed control for highway convenience- 4-wheel disc brakes with ABS- Dual front and side impact airbags plus overhead and knee airbags- Emergency communication system with Safety Connect 10-year trial- All-weather floor and cargo liners for interior protection- Front and rear anti-roll bars for stable handlingThis Corolla Cross delivers fuel efficiency without sacrifice. With an EPA-estimated 31 city and 33 highway MPG, you get dependable performance from the 2.0L 4-cylinder engine paired with a CVT transmission. The front-wheel-drive configuration handles various driving conditions while maintaining the agility you need in daily commuting and weekend drives.The interior provides genuine comfort for driver and passengers. Fabric seating, front bucket seats with a center armrest, and a split-folding rear seat adapt to your needs whether you're hauling cargo or carrying passengers. Telescoping and tilt steering wheels let you find your ideal driving position, while steering wheel-mounted audio controls keep your focus on the road.Safety is engineered throughout this crossover. Multiple airbag systems, including front impact, side impact, knee, and overhead protection, work alongside the electronic stability and traction control systems. The rear backup camera gives you clear visibility when reversing, and the low tire pressure warning keeps you informed about tire condition.Exterior styling balances form and function. The black finish presents a refined appearance, while body-color bumpers, door edge guards, and door sill protectors provide practical defense against minor scrapes. The 17-inch steel wheels with covers and body side molding complete the cohesive look.This vehicle has recently passed dealer inspection, includes a fresh oil change, and has been fully detailed. It's ready for you to experience its balanced combination of efficiency, safety, and everyday practicality. We invite you to visit and take the Corolla Cross L for a test drive.
