Comments

This 2023 Tesla Model Y Performance delivers exceptional electric performance with striking white exterior styling. Engineered with dual motors and all-wheel drive, this vehicle combines efficiency and capability for the modern driver. With 115 MPGe in the city and 106 MPGe on the highway, this Model Y offers impressive range and responsive acceleration. Recently detailed and passed dealer inspection, this Model Y is ready for the road.

Key Features:- Apple CarPlay and Android Auto integration- Navigation System with real-time guidance- Premium Audio System with 14 speakers- Dual-motor AWD with 1-Speed Automatic transmission- Heated front and rear seats with memory settings- Power driver and passenger seats with memory- Automatic climate control with dual-zone front and rear capability- Lane Departure Warning and Electronic Stability Control- Rear parking camera for convenient maneuvering- 21" Uberturbine wheels with all-season tires

This Model Y has been meticulously maintained with recent detailing and a complete dealer inspection. The vegan leather interior trim provides premium comfort, while the heated steering wheel and auto-dimming rear-view mirror enhance every drive. Advanced safety systems including dual front airbags, side airbags, and occupant sensing technology provide comprehensive protection for all passengers.

Visit our showroom today to experience this exceptional electric performance vehicle firsthand and discover why the Model Y Performance is a premier choice for discerning drivers.
