Comments

This 2019 Honda Clarity Plug-In Hybrid Base offers an efficient, forward-thinking approach to daily driving. With its innovative hybrid powertrain and silver exterior, this vehicle combines practicality with modern technology. At 71,229 miles, it's ready to deliver reliable performance for years to come.

Key Features:-

- 180-Watt AM/FM/HD/SiriusXM Audio System with 8 speakers-
- Apple CarPlay and Android Auto smartphone integration-
- Collision Mitigation Braking System (CMBS) with Forward Collision Warning-
- Lane Keeping Assist System (LKAS) active safety technology-
- Heated front bucket seats with automatic temperature control-
- HomeLink garage door transmitter for convenient home integration-
- Honda LaneWatch and rear parking camera for enhanced visibility-
- Electronic Stability Control and traction control-
- 18" hybrid aerodynamic alloy wheels-
- Split folding rear seat for versatile cargo space

The Clarity's well-appointed interior features cloth seat trim, front dual zone air conditioning, and a comprehensive suite of comfort controls including a telescoping and tilt steering wheel, power windows, and power door mirrors. You'll appreciate the convenience of remote keyless entry, automatic headlights, and speed-sensing steering. Safety is paramount with dual front and side impact airbags, knee airbags, overhead airbags, and a full range of electronic stability systems.

This plug-in hybrid delivers the environmental consciousness and fuel efficiency you're seeking without sacrificing the practical features that make daily life easier. Visit us today to experience the Clarity's smooth ride and innovative technology firsthand.
