Comments

This 2024 Mazda CX-5 2.5 S Carbon Edition delivers refined SUV capability with striking gray exterior and black leather accents. With nearly 50,000 miles, this one-owner vehicle has been carefully maintained and shows the road-ready appeal of Mazda's trusted compact crossover platform. Powered by a SKYACTIV®-G 2.5L 4-cylinder engine paired with a 6-speed automatic transmission and AWD, it balances responsive performance with EPA-estimated 23 city / 29 highway MPG. Actual mileage may vary.- Backup camera and keyless entry for convenient daily operation- Bluetooth wireless connectivity and Apple CarPlay/Android Auto integration- Black leather front bucket seats with heating- Heated front dual-zone automatic climate control- Power moonroof and power liftgate- Alloy wheels (19" x 7J) and auto high-beam headlights- Electronic stability control and four-wheel independent suspension- Steering wheel-mounted audio controls and voice command system- Emergency communication system: MAZDA CONNECT- Tilt and telescoping steering wheel with power adjustmentThe Carbon Edition trim elevates the CX-5 experience with premium materials and thoughtful appointments throughout the cabin. From the heated leather seats to the advanced driver assistance features, this SUV is equipped to handle your daily commute and weekend adventures. Visit us today to experience this well-maintained Mazda and discover why so many drivers trust the CX-5 for their next vehicle.
