You'll achieve 23 MPG in the city and 29 MPG on the highway, offering a balanced approach to fuel economy without sacrificing driving dynamics. Inside, the cabin reflects thoughtful design with leather-appointed seating and heated front bucket seats that provide comfort during extended drives. The power moonroof floods the interior with natural light, while the automatic temperature control system maintains your preferred climate. Dual zone A/C ensures all occupants stay comfortable, regardless of weather conditions. Your connectivity needs are addressed through the integrated infotainment system featuring AppLink, Apple CarPlay, and Android Auto compatibility alongside Pandora support. Voice command functionality keeps you focused on the road while managing audio and phone functions safely. The Multifunction Commander Control and steering wheel-mounted audio controls provide intuitive access to all vehicle systems. Safety standards are met with comprehensive airbag protection, including dual front impact, dual front side impact, and overhead airbags. Electronic Stability Control, traction control, and four-wheel disc ABS braking work together to maintain stability in varying conditions. The exterior parking camera rear view and low tire pressure warning system provide additional awareness and peace of mind. This CX-5 is ready to become part of your daily routine, offering a blend of comfort, technology, and reliability. We invite you to visit our showroom to explore this vehicle in person and discover how it fits your lifestyle.
