Finished in clean white exterior, this all-wheel drive electric vehicle combines efficiency with capability. The spacious interior accommodates passengers with heated and cooled leather seating, while advanced climate control ensures comfort in any season.Technology integration is seamless with the Nissan Door to Door Connected Navigation system, allowing you to plan routes with confidence. The comprehensive audio setup featuring ten speakers and Bose Premium Audio System delivers quality sound for your daily commute or weekend drives. Steering wheel mounted controls and a heated steering wheel make operating your vehicle intuitive and comfortable.Safety is prioritized throughout the vehicle with dual front impact airbags, front and rear side impact airbags, knee airbags, and overhead airbags across the cabin. Electronic stability control, traction control, and four-wheel independent suspension work together to maintain stability on varied road conditions. ABS brakes with brake assist provide responsive stopping power when needed.The power moonroof brings natural light and openness to the cabin, while the split folding rear seat adapts to your cargo needs. Memory seating allows you to maintain your preferred driving position with ease. The rear window defroster and rain-sensing wipers support all-weather visibility and convenience.An electric motor powered by advanced battery technology provides responsive acceleration and smooth operation across any driving scenario. This vehicle represents a practical choice for drivers seeking an efficient, capable daily driver with premium comfort appointments included throughout.We welcome you to visit our showroom to experience this Ariya PLATINUM+ e-4ORCE firsthand and see how its combination of technology, safety, and comfort can enhance your driving experience.
