Comments

This 2021 Nissan Rogue SL crossover offers a compelling combination of comfort, capability, and smart technology. With a 2.5L four-cylinder engine and Xtronic CVT transmission, this front-wheel-drive model delivers EPA-estimated 26 city / 34 highway MPG. Actual mileage may vary. The clean white exterior and charcoal interior create an inviting, modern aesthetic, while nearly 88,000 miles reflect careful use for an everyday vehicle that remains in solid working order.- Bose Premium Audio System with Apple CarPlay and Android Auto integration- Power moonroof and premium package enhancements- ProPILOT Assist + semi-autonomous driving support- Heated front seats with power adjustment and memory settings- Leather steering wheel with heating function- Auto High-beam Headlights with front fog lights- Rear and front parking sensors with exterior camera- Heated door mirrors and auto-dimming rear-view mirror- Four-wheel independent suspension with electronic stability control- NissanConnect Services with emergency communicationThe SL trim brings purposeful upgrades that elevate daily driving. From the Bose audio system to climate control with front and rear zones, every detail has been chosen to enhance your comfort. Premium features like ProPILOT Assist and the navigation system make every commute smoother and more enjoyable.We invite you to experience this Rogue in person. Stop by our showroom to take it for a test drive and see how these features work together to create the refined, capable crossover you've been looking for.
