Comments

This 2023 Nissan Rogue SV delivers reliable daily performance with a well-equipped cabin designed for comfort and convenience.- 1.5L Turbocharged Engine with 201 horsepower- CVT Automatic Transmission with Xtronic- Front-Wheel Drive- 30 City / 37 Highway MPG- NissanConnect featuring Apple CarPlay and Android Auto- Automatic Temperature Control with Front Dual Zone A/C- Rear Window Defroster- Power Driver Seat- Heated Power Door Mirrors- Rear Parking Sensors- Multiple Airbags Including Front, Side, Knee, and Overhead Protection- 18-Inch Aluminum Alloy Wheels- Remote Keyless Entry and Illuminated Entry- Speed-Sensitive Wipers- SiriusXM AM/FM RadioThe Rogue SV combines efficiency with the turbo power you need for highway driving and city commuting. At just 71,469 miles, this vehicle has plenty of life remaining with proper maintenance. The turbocharged engine produces solid acceleration while maintaining respectable fuel economy, making it an excellent choice whether you're navigating congested streets or taking longer trips. Inside, the cabin presents a thoughtful layout with cloth seating, front bucket seats, and a split-folding rear seat that provides flexibility for cargo or passengers. Climate control features include automatic temperature management across dual front zones, keeping you and your passengers comfortable year-round. The rear window defroster ensures clear visibility in all weather conditions. Technology integration keeps you connected through NissanConnect, which seamlessly incorporates Apple CarPlay and Android Auto. Steering wheel-mounted audio controls and trip computer functionality let you manage entertainment and vehicle information without taking your hands off the wheel. The radio includes both standard AM/FM and SiriusXM capability for comprehensive listening options. Safety has been prioritized with dual front impact airbags, front side impact airbags, a knee airbag, and overhead airbags working together with the electronic stability control and traction control systems. Brake assist and four-wheel independent suspension contribute to responsive, controlled handling. Rear parking sensors help you navigate tight spaces with confidence. The exterior features a striking black finish complemented by 18-inch aluminum alloy wheels and body-color bumpers. Heated power mirrors, automatic headlights with delay-off functionality, and a rear window wiper complete the practical exterior design. We invite you to visit our showroom and take this Rogue SV for a test drive to experience its balanced combination of capability, comfort, and value firsthand.
