Comments

Discover the efficiency and practicality of this 2026 Toyota Prius Plug-In Hybrid SE in Gray, a vehicle designed for drivers who value both environmental responsibility and everyday convenience.- Android Auto and Apple CarPlay integration- Front and rear parking assist with automatic braking- All-weather floor liners and cargo liner- Toyota Audio Multimedia with 8" touchscreen and SiriusXM- Drive Connect Cloud Navigation with complimentary trial subscription- Automatic temperature control- Heated steering wheel and heated door mirrors- 17" aluminum alloy wheels- Rear parking camera- Safety Connect emergency communication system- Electronic stability control and traction control- Four-wheel independent suspension- Remote keyless entry- Split folding rear seat- Six-speaker audio systemThe Prius Plug-In Hybrid platform combines thoughtful engineering with real-world utility. With a 2.0L 4-cylinder engine and continuously variable transmission, this SE model delivers efficient performance for your daily commute and weekend adventures alike. The plug-in hybrid technology allows you to drive on electric power for shorter trips while maintaining the flexibility of a traditional hybrid system for longer journeys. Inside the cabin, you'll find intelligent comfort features that make every drive more enjoyable. The heated steering wheel and automatic temperature control ensure you remain comfortable regardless of the season. Steering wheel-mounted audio controls and the intuitive touchscreen interface keep your focus on the road while managing entertainment and navigation effortlessly. Safety remains a cornerstone of this vehicle's design. Dual front and rear side impact airbags work in concert with electronic stability control, traction control, and four-wheel independent suspension to protect you and your passengers. The front and rear parking assist with automatic braking provides added confidence during tight maneuvers, while the rear parking camera gives you clear visibility when reversing. This SE has recently been detailed and has passed our dealer inspection, reflecting our commitment to delivering a well-maintained vehicle. Recent service work ensures you're starting with confidence, and the two-year subscription to Safety Connect provides emergency support when you need it most. Visit our showroom to experience this practical and efficient plug-in hybrid firsthand. We're ready to answer your questions and help you find the right fit for your driving needs.
