Comments

This 2022 Toyota Prius LE represents an excellent choice for buyers seeking efficient, reliable transportation without compromise on comfort or capability.- 54 city / 50 highway MPG- Apple CarPlay and Android Auto integration- Automatic temperature control- Power windows and door mirrors- Rear backup camera- Remote keyless entry- Steering wheel mounted audio controls- SiriusXM AM/FM radio- Electronic Stability Control and traction control- Four-wheel independent suspension- Auto high-beam headlights- Split folding rear seat- Dual front and side impact airbags- Emergency communication system with Safety ConnectThe Prius LE delivers the fuel economy you expect from this nameplate, achieving 54 MPG in city driving and 50 MPG on the highway. The 1.8L engine paired with the Continuously Variable transmission provides smooth acceleration while maintaining those impressive efficiency numbers.This gray exterior presents a professional appearance that suits any setting, from daily commuting to business appointments. The 15-inch alloy wheels with full wheel covers balance style with practicality, while the body-color bumpers maintain visual harmony throughout the design.Inside, you'll find a well-appointed cabin designed for everyday comfort. Dual front bucket seats with fabric trim offer support for extended drives, and the split folding rear seat adapts to your cargo needs. Climate control operates via automatic temperature management, eliminating the need for constant adjustment. The telescoping steering wheel accommodates drivers of various heights, and the front center armrest adds convenience to longer journeys.Technology integration keeps you connected without distraction. Apple CarPlay and Android Auto allow seamless smartphone integration, while steering wheel controls manage audio and phone functions hands-free. The SiriusXM radio provides entertainment options throughout your travels. A rear backup camera assists with parking and reversing maneuvers, and Safety Connect with a one-year trial offers emergency communication services.Safety features throughout the vehicle include dual front and side impact airbags, an overhead airbag, and knee airbags for occupant protection. Electronic Stability Control and traction control work together to maintain stability in various driving conditions, while four-wheel independent suspension contributes to controlled handling. Four-wheel disc brakes with ABS provide confident stopping power.This 2022 Prius LE awaits your inspection. Its combination of practical efficiency, thoughtful interior features, and proven Toyota reliability makes it worthy of serious consideration. We invite you to experience the vehicle firsthand and discuss how it fits your driving needs.
