- Leather-trimmed steering wheel and shift knob
- Roof rails
- Towing package with transmission cooler and heavy-duty alternator
- SiriusXM with NavTraffic and NavWeather trial subscriptions
- 19-inch triple-split alloy wheels with all-season tires

Vehicle Detailed

This RX 450h combines the benefits of hybrid technology with genuine luxury features designed for comfort and convenience. The 3.5L V6 DOHC VVT-i engine paired with eCVT transmission delivers a responsive 30 city and 28 highway MPG, making it practical for both daily commuting and longer journeys. All-wheel drive provides confident handling in various driving conditions, while the suspension system ensures a smooth and controlled ride.

The interior reflects Lexus's commitment to quality materials and craftsmanship. Perforated leather seating surfaces complement the genuine wood accents throughout the cabin. Climate control extends to the front seats with heating and ventilation functions, while the panoramic moonroof and power windows create an open, airy atmosphere. The advanced navigation package includes Lexus Enform with Safety Connect, providing peace of mind alongside practical connectivity features.

Safety and capability work together in this well-equipped vehicle. The comprehensive airbag system, electronic stability control, and braking technology provide foundational protection. The intuitive parking assist and backup monitor with remote touch navigation controller simplify everyday driving tasks, while the towing package—complete with transmission cooler and heavy-duty cooling components—demonstrates this vehicle's ability to handle demanding situations when needed.

This 2013 RX 450h has passed dealer inspection and received recent service and detailing, ensuring it arrives in excellent condition. Whether you prioritize fuel efficiency, luxury appointments, or proven reliability, this hybrid crossover represents a smart investment in your driving future. We invite you to schedule a time to experience this vehicle firsthand and discover why the RX 450h remains a preferred choice for those seeking the best combination of performance and refinement.
