Comments

Discover the 2023 Toyota bZ4X XLE, a sophisticated electric SUV that combines smart design with practical performance. This Elemental Silver model delivers impressive efficiency with 131 MPGe in the city and 107 MPGe on the highway, making it an intelligent choice for modern driving. With just over 41,000 miles, this well-maintained vehicle has been recently detailed and passed dealer inspection.

Key Features:

- Apple CarPlay and Android Auto integration
- 12.3" Toyota Audio Multimedia system with 6 speakers and SiriusXM
- Automatic temperature control with front dual-zone air conditioning
- Navigation system: Drive Connect (3-year trial) with real-time traffic and Google POI
- Four-wheel independent suspension with electronic stability control
- Auto High-beam Headlights with delay-off functionality
- Rearview camera for parking assistance
- Dual front and side impact airbags with knee and overhead airbags
- 18" alloy wheels with two-tone covers
- Remote keyless entry and security system

This XLE comes equipped with comfortable front bucket seats, a leather steering wheel, and convenient features like the auto-dimming rearview mirror and telescoping steering wheel. The vehicle includes the weather package for enhanced capability across seasons. Safety Connect (10-year trial) provides emergency communication, while the comprehensive suspension and braking system deliver confident handling. Visit us today to experience the bZ4X XLE and discover how this electric SUV can enhance your daily commute and weekend adventures.
