Comments

Meet the 2024 Chevrolet Trax LT—a compact SUV designed for efficiency and everyday practicality. This blue beauty delivers an impressive 28 city and 32 highway MPG, making it an excellent choice for commuters and weekend adventurers alike. Powered by a 1.2L EcoTec Turbo engine paired with a 6-speed automatic transmission, the Trax offers responsive performance with fuel economy in mind.

Key Features:

- Android Auto and Apple CarPlay compatibility
- SiriusXM satellite radio with premium Chevrolet Infotainment 3 system
- Automatic temperature control and rear window defroster
- Exterior parking camera with rear view capability
- Electronic Stability Control and traction control
- All-weather floor mats, front and rear
- 17-inch gray-painted machined aluminum wheels
- OnStar and Chevrolet connected services
- Dual front and side impact airbags with overhead airbags
- Split folding rear seat for versatile cargo space

This vehicle has been recently detailed and received a fresh oil change, ensuring it's ready for the road. All systems have passed our dealer inspection, so you can drive with confidence. The Trax LT combines practicality, efficiency, and modern connectivity in a vehicle that's built to last. Visit our showroom today to experience this capable compact SUV firsthand and take it for a test drive.
