Comments

Meet this 2024 Hyundai IONIQ 5 SE Standard Range, a blue electric vehicle that delivers efficient performance and modern convenience for today's driver. With 127 city MPGe and 94 highway MPGe, this sedan offers impressive efficiency paired with the practicality you need for daily driving and weekend getaways alike.- Android Auto and Apple CarPlay connectivity- Navigation System for reliable route guidance- Automatic temperature control with front dual zone A/C- Heated front bucket seats for comfort in any season- Power driver seat and power steering for ease of use- SiriusXM satellite radio with AM/FM and harman/kardon® speakers- Electronic Stability Control and traction control for safe handling- Four-wheel independent suspension for a controlled ride- Auto high-beam headlights with delay-off function- Remote keyless entry and security system- Speed-sensing steering for responsive control- All-season fitted liners to protect your interior- Rear window defroster and heated door mirrors- Split folding rear seat for flexible cargo space- Four-wheel disc brakes with ABSThis vehicle has been thoroughly inspected by our dealership team and recently detailed to ensure it meets our standards. The 19-inch aero alloy wheels give it a refined appearance while supporting its efficiency. Inside, you'll find a leather steering wheel, trip computer, and overhead console that make every drive straightforward and comfortable. The stain-resistant cloth seating surfaces help maintain the interior's appearance over time.Safety is built in with dual front and side impact airbags, an occupant sensing airbag system, and overhead airbags positioned throughout the cabin. The emergency communication system with Bluelink+ provides added peace of mind. Electronic features like low tire pressure warning and brake assist work together to keep you protected on every route.The IONIQ 5 SE combines electric efficiency with practical everyday features. The rear anti-roll bar and front anti-roll bars contribute to composed handling, while the speed-sensing steering adapts to your driving conditions. You'll appreciate the convenience of split folding rear seats, front center armrest with storage, and the charging port applique designed for seamless charging sessions.This blue sedan is ready for a test drive. Come see what makes the IONIQ 5 SE a smart choice for drivers seeking reliability, efficiency, and modern technology in one package.
