The electric motor and 1-speed automatic transmission work seamlessly to provide smooth, responsive acceleration without the complexity of traditional powertrains. The rear-wheel-drive configuration offers balanced handling and stability across various driving conditions. The cabin is thoughtfully designed with your comfort in mind. Dual front zone climate control ensures both driver and passenger stay comfortable, while the heated front seats and heated steering wheel provide welcome warmth during colder months. The power driver seat allows you to find your ideal driving position effortlessly, and the telescoping steering wheel adds another layer of customization for long drives. Safety and convenience features are comprehensive throughout this vehicle. The emergency communication system with Bluelink+ keeps you connected in any situation, while the security system and panic alarm provide peace of mind. Four-wheel independent suspension delivers a composed ride, and the speed-sensing steering adapts to your driving speed for enhanced control. Entertainment and navigation are seamlessly integrated with the AM/FM/SiriusXM HD Display Audio System featuring harman/kardon® speakers and dual high-quality tweeters. Apple CarPlay and Android Auto compatibility mean your smartphone connects instantly, giving you access to your preferred apps and services. The built-in Navigation System keeps you on course without relying on your phone's battery. This vehicle has passed our dealer inspection and been recently detailed and serviced, arriving to you in excellent condition. At just over 10,700 miles, this IONIQ 5 SEL remains virtually new with excellent warranty coverage remaining. We invite you to schedule your test drive and experience the combination of efficiency, technology, and reliability that makes this electric vehicle a smart choice for today's driver.
