Comments

This 2024 Hyundai IONIQ 5 SEL delivers modern electric vehicle capability with efficient performance that keeps you connected to the road and confident in your choice. - 132 city / 98 highway MPGe- Electric Motor with 1-Speed Automatic transmission- Rear-Wheel Drive- Navigation System- Apple CarPlay & Android Auto- harman/kardon® Speakers with SiriusXM- Heated Front Bucket Seats- Heated steering wheel- Auto High-beam Headlights- Power Liftgate- Emergency communication system: Bluelink+- Split folding rear seat- Four wheel independent suspension- 19" Aero Alloy wheels- Electronic Stability ControlThis IONIQ 5 features a spacious cabin designed for both driver and passenger comfort. The heated front bucket seats and heated steering wheel provide warmth during colder months, while the automatic climate control with dual-zone capability ensures everyone stays comfortable regardless of the season. The split folding rear seat expands your cargo flexibility, allowing you to accommodate passengers and cargo with ease. Technology integration sets this vehicle apart. The available Navigation System pairs seamlessly with Apple CarPlay and Android Auto, giving you access to your preferred apps and directions. The harman/kardon® speaker system delivers quality audio whether you're listening to SiriusXM satellite radio or your personal music library. Steering wheel-mounted audio controls keep your focus on the road. Safety is built into every aspect of this IONIQ 5. Dual front and side impact airbags, anti-roll bars front and rear, and a comprehensive traction control system work together to protect occupants. Four-wheel disc brakes with ABS and speed-sensing steering technology give you the confidence to navigate various driving conditions. The Emergency communication system with Bluelink+ provides an additional layer of security and support. The exterior presents a striking appearance in Green with body-color bumpers, bodyside moldings, and a spoiler that enhance its aerodynamic profile. Auto High-beam Headlights with delay-off functionality and heated power door mirrors with turn signal indicators complete the sophisticated look. The 19" Aero Alloy wheels complement the vehicle's modern design while optimizing efficiency. This 2024 IONIQ 5 SEL represents a practical choice for those seeking electric vehicle efficiency without compromising on comfort, technology, or safety. We invite you to visit our showroom and experience this vehicle firsthand, where our team is ready to answer your questions and help you take the next step toward ownership.
