Comments

This 2024 Hyundai IONIQ 6 SEL combines efficient electric driving with thoughtful design and premium comfort features to deliver a vehicle that meets the demands of modern ownership.- Android Auto and Apple CarPlay connectivity- Navigation System- AM/FM/SiriusXM/HD Radio with harman/kardon® Speakers- Front Dual Zone Automatic Temperature Control- Heated Front Bucket Seats with Leatherette Surfaces- Power Driver Seat with Telescoping and Tilt Steering Wheel- Auto-Dimming Rear-View Mirror with HomeLink Garage Door Transmitter- Electronic Stability Control and Traction Control with Four-Wheel Independent Suspension- Auto High-Beam Headlights with Delay-Off Function- 4-Wheel Disc Brakes with ABS and Brake Assist- Dual Front Impact and Side Impact Airbags with Overhead Airbags- 20-Inch Alloy Wheels- Emergency Communication System- First Aid Kit- Remote Keyless Entry with Security SystemThe heart of this IONIQ 6 is its electric propulsion system, delivering an EPA-estimated 129 MPGe in the city and 105 MPGe on the highway. This efficient powertrain provides responsive performance while minimizing your fuel expenses and environmental impact. The vehicle has recently been detailed and passed our dealer inspection, ensuring it arrives in excellent condition. Inside the cabin, you'll find a driver-focused layout with premium appointments. The heated front bucket seats with leatherette surfaces provide comfort during daily commutes, while the automatic dual-zone climate control keeps all occupants at their preferred temperature. The leather-wrapped steering wheel and available telescoping adjustment allow you to find your ideal driving position with ease. Technology integration is seamless with Apple CarPlay and Android Auto connectivity, keeping you connected to your smartphone throughout your journey. The integrated navigation system provides reliable routing, while the SiriusXM-equipped audio system with harman/kardon® speakers delivers quality sound for your favorite content. Steering wheel-mounted audio controls allow you to manage entertainment without taking your hands off the wheel. Safety has been engineered throughout this vehicle with dual front and side impact airbags, overhead airbags for enhanced protection, and a comprehensive list of active safety systems including four-wheel independent suspension and electronic stability control. The emergency communication system provides added peace of mind on every drive. We have thoroughly inspected this IONIQ 6 and prepared it for your ownership. The vehicle has been recently serviced and detailed to meet our standards. The combination of efficient electric driving, thoughtful interior design, and comprehensive safety features makes this an excellent choice for buyers seeking a modern, responsible vehicle. We invite you to schedule a test drive and experience this IONIQ 6 firsthand.
