Comments

Discover the perfect balance of family comfort and fuel efficiency with this 2026 Kia Carnival Hybrid LXS. This hybrid-powered MPV delivers impressive fuel economy at 34 city and 31 highway MPG, making it an economical choice for modern families without sacrificing the space and features you need. The sophisticated gray exterior and taupe/off-black interior create a refined aesthetic, while the recent oil change, detailed appearance, and passed dealer inspection ensure you're getting a well-maintained vehicle ready for the road.

- Android Auto and Apple CarPlay integration
- Navigation System with SiriusXM
- Heated front bucket seats with power adjustment
- Rear air conditioning and automatic temperature control
- Rear parking camera with backup assistance
- Split-folding rear seat and reclining third-row seat
- Electronic Stability Control and traction control
- Front and rear dual-zone climate control
- Leather steering wheel and shift knob
- 17-inch alloy wheels

The Carnival Hybrid combines practicality with advanced technology, featuring intelligent climate zones throughout, comprehensive safety systems including multiple airbags and emergency communication, and infotainment that keeps you connected on every trip. With its turbocharged 1.6L hybrid engine and responsive 6-speed automatic transmission, this LXS trim offers the reliability and performance Kia owners expect. We invite you to experience this exceptional family vehicle in person—contact us today to schedule your test drive.
