With an EPA rating of 15 MPG city and 15 MPG highway, this vehicle provides balanced efficiency for both daily driving and adventure. The low mileage of 4,336 miles means this is nearly new, with all factory freshness intact.The Fieldmaster Edition positions this Grenadier as a serious tool for outdoor pursuits and demanding work. The 6-foot Leitner roof rack and integrated INEOS side steps enhance versatility and accessibility. Front and rear differential locks give you control when traction matters most, while the low tire pressure warning system adds a layer of safety awareness. The Class III tow hitch with electrics stands ready for trailers and equipment. Inside, leather-trimmed heated front bucket seats provide comfort during extended drives, while the split-folding rear seat adapts to your cargo needs. The navigation system with central control keeps you oriented, and the premium sound system ensures quality audio entertainment. Climate control, power windows, and remote keyless entry round out the daily conveniences that make longer journeys more pleasant. Safety runs throughout the design with dual front impact airbags, dual front side impact airbags, a knee airbag, and overhead airbags. The anti-whiplash front head restraints, front center armrest, and electronic stability control work together to protect occupants. Four-wheel disc brakes with ABS provide confident stopping power, while the exterior parking camera rear aids in maneuvering tight spaces. The 18-inch alloy wheels, body-color bumpers, and heated power mirrors contribute to a cohesive exterior presentation. Auto high-beam headlights and rear fog lights enhance visibility, while the rear window wiper and variably intermittent wipers adapt to changing weather. The compass and trip computer provide useful information for navigation and fuel monitoring. This 2025 Grenadier Station Wagon Fieldmaster Edition represents a genuine alternative for buyers seeking authentic capability.
