Comments

The 2024 INEOS Grenadier Station Wagon Base represents a purposeful approach to vehicle ownership, engineered for those who value capability and straightforward design. This Scottish White example is ready to serve your needs with genuine utility and reliable performance.- Remote keyless entry- Electronic Stability Control- Traction control- Heated door mirrors- Navigation System- 3.0L I6 engine with 8-speed automatic transmission- Four-wheel drive- Auto high-beam headlights- Rear fog lights- Exterior parking camera- Split folding rear seat- Automatic temperature control- All-wheel disc brakes- Leather steering wheelThe Grenadier Station Wagon delivers practicality through its versatile cargo space and straightforward architecture. The split folding rear seat provides flexible interior configuration for various hauling and passenger combinations. Power windows, power door mirrors, and electronic stability control work together to create a comfortable driving environment. Climate management features include automatic temperature control and a rear window defroster to maintain visibility in changing conditions. The navigation system keeps you oriented on long drives or unfamiliar routes.Safety is integrated throughout the vehicle's design. The four-wheel disc brake system includes anti-lock protection, while electronic stability and traction control systems help maintain grip in challenging conditions. Multiple airbags—including front, side, front center, and overhead protection—are positioned throughout the cabin. Anti-whiplash front head restraints and knee airbags provide additional occupant security. The rear parking camera assists with backing maneuvers.This vehicle is certified, ensuring it meets exacting standards for quality and reliability. A certified vehicle provides assurance that the Grenadier has been thoroughly inspected and conditioned to dealer standards.The 3.0L six-cylinder engine paired with the eight-speed automatic transmission delivers the power and efficiency this vehicle is designed to provide. Four-wheel drive comes standard, allowing you to access diverse terrain and weather conditions with confidence. Steering wheel mounted audio controls let you manage navigation and entertainment without taking your hands off the wheel.Interior comfort combines function with everyday convenience. Front bucket seats offer individual support, while the front center armrest provides additional comfort on longer drives. The leather steering wheel feels substantial in your hands, and multiple visibility aids—including illuminated entry, front reading lights, and the overhead console display—contribute to daily usability. Heated door mirrors clear frost and moisture during cold mornings.The Grenadier Station Wagon Base arrives as genuine and uncompromised in its design philosophy. We invite you to schedule a service to evaluate this vehicle and confirm its fit for your lifestyle and requirements.
