Comments

This 2024 Mercedes-Benz C-Class C 300 represents a refined choice for drivers seeking a blend of performance and sophistication on the road.- Ventilated front seats- Panorama sunroof- Power heated front seats with memory- 11.9" center touchscreen display with Apple CarPlay®/Android Auto®- MBUX premium audio system with SiriusXM satellite radio- Automatic temperature control with front dual zone A/C- Memory seat and steering wheel settings- Auto high-beam headlights with delay-off feature- Heated power door mirrors- Exterior parking camera rear- Electronic stability control and traction control- Dual front impact and side impact airbags with knee airbag- MB-Tex upholstery with front bucket seats- 18" alloy wheels- Emergency communication system with Mercedes-Benz Emergency Call ServicePowered by a 2.0L turbocharged four-cylinder engine paired with a nine-speed automatic transmission, this C 300 delivers responsive performance paired with fuel efficiency. The rear-wheel-drive configuration provides balanced handling through daily commutes and weekend drives alike. With an EPA rating of 26 city and 36 highway MPG, you'll appreciate the balance between capability and economy.The white exterior presents a clean, timeless appearance that suits any setting. Inside, the cabin showcases MB-Tex upholstery and genuine wood dashboard accents that elevate the driving environment. The panorama sunroof floods the interior with natural light, while the power moonroof adds an open-air option for those who prefer it. Memory functions for both the driver's seat and steering wheel ensure your preferred settings are always at hand.Technology integration centers on the 11.9" touchscreen display, which provides intuitive control over navigation and vehicle functions. Apple CarPlay® and Android Auto® compatibility keep your smartphone seamlessly connected. The FrontBass five-speaker audio system with SiriusXM satellite radio transforms every drive into an entertainment experience. Additional convenience features include the HomeLink garage door transmitter and a comprehensive trip computer for tracking your journeys.Comfort is prioritized throughout the cabin. Ventilated front seats with heating capability adapt to any climate, while automatic dual-zone climate control ensures passenger satisfaction. The power-adjustable passenger seat and split-folding rear seats provide flexibility for cargo or additional passengers. Power windows, steering, and door mirrors all function smoothly at the touch of a button.Safety receives thorough attention with dual front impact airbags, front side impact airbags, an airbag for the knees, and overhead airbags positioned throughout the cabin. Anti-whiplash front head restraints and power-adjustable head restraints offer additional protection. Electronic stability control, traction control, four-wheel independent suspension, and speed-sensing steering work together to maintain stability. Four-wheel disc brakes with ABS provide confident stopping power, while the low tire pressure warning system keeps you informed of your vehicle's status.We invite you to schedule a visit and experience this C 300 firsthand. Our team stands ready to address your questions and help you move forward with confidence.
